## RULES

1. Round Robin Tournament - 5 matches per team.
2. Winning Team - team scoring the most tries on the day.
3. Winning School - combined scores of U11, U12 and U13.
4. A match lasts 11 minutes (5 min. each half, 1 min half time). No coach allowed on the field at half time.
5. A team consists of seven players and three reserves. Rolling subs allowed.
6. International Rugby Board rules apply with the exception that no kicking is allowed in general play - only kick-off and kick-in, 22 drop-out and penalty tap (no conversions). No kicking for touch at a penalty. Scrum awarded for unintentional kick offence, and a penalty for an intentional kick offence.
7. The team that scores kicks off from the half-way line.
8. The game starts and ends when the hooter sounds. The referee does not blow time (ie: if a player is about to score and the hooter sounds, the try does not count).
9. In the event of a tie at the end of the tournament, the match result between these teams will be the decider. Should that result be a tie, their respective scores against the next best team will be taken into consideration.
