While it's great to excel in sports, dance, theater, art, science, or whatever else interests you, it is even greater to excel in character. And practicing sportsmanship in your activities is a wonderful way to do just that! Then you can become the best you can be not just in your activity but in your life as well!

A brief history of this fixture

SACS and Wynberg will meet on Saturday in their winter's day derby. The match will mark the end of both their rugby seasons and is always a fixture that is looked forward to by the school boys, parents, old boys and spectators each and every year - this year will be no exception. SACS was founded in 1829 and Wynberg in 1841.

They are two of the oldest schools in South Africa and their contact over the years is steeped in tradition and mutual respect. The first fixtures between the schools are not readily available, but due to SACS' rugby playing heritage it is noted that 'Wynberg initially struggled against SACS' however this changed in the 1980s as Ray Connellan and Eric Tasker reinvigorated Wynberg rugby, and in the process, developed the Cape Schools Week which is now held every two years at different venues throughout the Western and Eastern Cape. Both schools have produced outstanding Springboks and Wynberg can boast names such as Rob Louw, Lionel Wilson, Dave Stewart and Doug Hopwood while SACS have been blessed with Paul Delpont, Kyle Bown and Percival Montgomery in recent memory.

The fixture on Saturday promises to be an explosive encounter with both schools looking to end their seasons on a high note. The first team game is always keenly contested and this weekend it has the added flavour of being the Matrics final rugby match for their respective schools. We wish both schools all the best on Saturday and look forward to some exciting and enterprising rugby.

SACS campus becomes very congested on Saturday mornings. Please enter from the lower, Main Street, entrance. We have a large parking area at the Aquatic Center, indicated below, which we recommend. This is a short 100m walk up to the fields and is a shorter walk to the Astro. Please do not block driveways.

Bathrooms

Toilet facilities for ladies are available at the Old Boys Pavilion and next to the Hofmeyer Hall. The gents may use the toilets at the gym, which is opposite the pool.

Catering

Bacon and eggs rolls, filter coffee, cooldrinks and Prego Rolls are available from the white “caravan” next to the electronic scoreboard. Donuts, chips, chocolates and more are available from the tuckshop at the Old Boys Pavilion.

Fields

There is a large image of the campus behind the large electronic scoreboard, which shows the location of the various fields.

“Realise that without the ref there would be no game. He didn’t write the ELV’s and didn’t invent the tackle law and is also trying to enjoy himself.”

Fundamental is to remember the following definition of good sportsmanship at all times:

- Play fair;
- Follow the rules of the game;
- Respect and accept the decisions of referees and officials;
- Treat the opponents with respect and be humble in victory and gracious in defeat.

We request all supporters, coaches, referees and teachers from all schools to step back and be reminded of the purpose of school sport and healthy, encouraging, positive support. We do not want to subscribe to a 'win-at-all-costs' philosophy. We are the living example to our boys. We want everyone to enjoy the competition. After all, it is for the boys and not for us.

Please can all spectators remain behind the ropes. Coaches are please to stay off the field of play and remain behind the dead ball lines at all times.
